### ORDER

Currently pending before the court in connection with this action is an application by *pro se* plaintiff Cecilia Nicholas for leave to amend her complaint. Dkt. No. 29. The sole purpose of the motion was to permit the addition of a request for equitable relief "finding that Defendant improperly and unnecessarily invoked mental hygiene law § 9.41 against the plaintiff and thus Plaintiff's detention and emergency evaluation pursuant to that provision would illegally procured by fraud, error or falsify documents[,]", and requesting that all such records be sealed. See Proposed Second Amendment Complaint (Dkt. No. 29-1) ¶ 141. Both defendants have opposed plaintiff's motion as untimely. Dkt. Nos. 36, 37.

Oral argument was conducted in connection with plaintiff's motion on May 18, 2012. At the close of argument I granted the application, despite its patent untimeliness, in the interest of justice, and based upon a finding of lack of prejudice. Based upon the foregoing and the court's bench decision, which is incorporated herein by reference, it is hereby

#### ORDERED as follows:

1) Plaintiff's motion for leave to amend (Dkt. No. 29) is

## GRANTED.

2) The clerk is directed to promptly forward copies of this order to the parties pursuant to the court's local rules.
